

A top-down view of a dining table. In the center is a large, vibrant floral centerpiece with pink, red, and purple flowers. To the right, there's a plate of food, possibly a fried egg or omelet, and a bunch of green grapes. In the bottom right, a hand is holding a glass filled with a red beverage, garnished with a slice of orange. The hand is wearing a silver bracelet. In the bottom left, there's a plate with skewers of olives and cheese. The table is set with white plates and silverware. The overall lighting is warm and intimate.

YOU GATHER

PARTNER INVITE

Welcome to Oui Gather

A private club dedicated to ambitious professionals and founders, creating experiences and spaces for like-minded people to be seen and grow together.

What We Are

Oui Gather is an intentional space to grow business, life and dreams, together. A community where ambitious individuals feel seen in their growth, succeed from the inside out, and connect authentically with peers who understand their drive and intensity.

The Experience

Each quarter is carefully curated. Including and highlighting all of the categories I believe are effective to foster growth and connection:

- **Work** - Collaborative workspace experiences - from coworking to mini retreats
- **Eat** - Intimate and exclusive dinners and special food highlights to events
- **Body** - Wellbeing experiences and mind-body wellness integration
- **Grow** - Speakers, workshops & planning - growth-focused learning
- **Connect** - Digital engagement - ongoing support and connection between experiences and monthly online check ins
- **Highlight** - Partners, mentors, teachers and guides

Partners are integral to Oui Gather and will be highlighted accordingly. Connecting with businesses we genuinely admire and creating authentic connections with our community that extend far beyond individual events is the sweet intersection to our joined future success.

THE COMMITMENT

Members join in quarterly or yearly commitments. Spaces are limited by design, with waitlist-only access once a cohort is full. This creates a committed, engaged community that values the curated experiences our partners provide.

NOT NETWORKING, AUTHENTIC CONNECTING.

WHO'S THIS FOR?

The ambitious entrepreneurs, professionals, creatives, founders and innovators who crave authentic connection and belonging beyond traditional networking.

It's not about age, stage or scale - it's about connection and sharing in the magic of the authentic journey together, expanding opportunities and resources simply by being in the same rooms.

WHY NOW

In 2025, there's been a clear trend toward offline, in-person authentic connection. While digital still has its place, it's being replaced with "phygital" spaces that address:

- Loneliness in professional spaces
- The need for genuine belonging
- Authentic connection
- Engaged and thoughtfully curated high value experiences

The Founder - Sheri Zahava Chiprout

I create spaces for high-achieving individuals and organizations to transform and grow from the inside out through strategy, effective methods, experience creation and community engagement.

With 25+ years in business across management, operations, business development, and trusted founder support, plus nearly 20 years of event and experience creation since 2006, I bring proven expertise in curating meaningful gatherings. Combined with my deep study in inner empowerment tools (500hr+ Yoga certification, Reiki master, intuitive development), I meet people at the intersection between strategy and magic.
